and pour the kidneys and their sauce into the centre. A kinney omelet is also good. Prepare the kidneys as before, then let them cook till tender in some Espagnole or good brown sauce flavored with wine, letting the sauce get pretty thick. Have ready an omelet, and just as you are about to fold it over, put the kidneys and their sauce in the Veal and ox kidney can be prepared like mutton kidneys, but naturally require longer time, and if when stewing they are once allowed to boil up, they are spoiled, for they will toughen at once. They should be siked very thin, and simmered in All Silk and most gently. Veal kidney especially is good if stewed as recommended above, and then served either in a wall or on a bed of any Vegetable purce.

cover with boiling salt water. Let cook until tender; when done drain and throw in cold water. Put one tablespoonful of butter in a frying-pan, let melt; add a tablespoonful of flour, mix until smooth, thin with half a pint of milk and stir until it boils; add haif a teacupful of hot water, season with salt and pepper; mix with the water in which the celery was boiled. Put in the celery and 6th Ave. 20th to 21st St.

The Walls of Rooms.

There are a few general principles, says the ast number of the Descrator and Furnishe n accordance with which the walls of cooms may be treated so as to produce an artistic are the size of the room and the amount of light is receives. In rooms which face the north light, which face the orth the north light, which is whitish to bluish in color, requires that the walls be decorated in luminous that ranging from orange yellow to warm red.

Rooms with a southern exposure conversely, should be papered or painted in tints ranging from greenish yellow to blue. Rooms facing east or west should be decorated in yellow, as east and west lights have yellow and purple in their composition. A hall, for instance, should be done in strong, dark colors, while the rooms opening off it may range from the deep, rich thats suitable to a library to the pale ones of bedrooms and

terns should be used.

Sarah, Duchess of Marlborough. Sarah, Duchess of Mariborough, wife of the conqueror of Bienbeim, was a woman of a fiery and energetic nature, but not very amiable, and quick to take offense. Being on placed on it the inscription: "She is much blacker within!" Her determination of character is illustrated by an anecdote which we find in Horace Waipole. "Old Mariborough her physician said she must be blistered or the would die. She called out: 'I won't bo blistered, and I won't die!' If she takes the ame resolution now I don't believe she
